Missionary Carlisle Hanna and the board of Friends of India wish to THANK YOU for your previous gifts and support for the Travis Poston Memorial Land Fund. Your help has made a Big Difference in the harvest of souls in India. Numerous churches have been built on land purchased by this fund and they are now filled with worshippers each Sunday. Your help has made an eternal difference in the lives of these people.

God has sent a great Revival in India and we now have over 245 church groups meeting each week. Many of these groups meet under trees and in open fields as they anxiously look for the day when they will be able to at least have a block building that will shelter them from the intense heat and the annual monsoon rains. These Christians faithfully give as they can toward God's work but without your help they will probably never raise the money needed to buy land and construct a Church.

The large population of India and the continued need to expand farms, industry, and homes continues to escalate the price of land in India. The **Travis Poston Memorial Land Fund** allows us to purchase land when it becomes available. The 2008 Gift was used to purchase land for a church in India as well as land for a church vital to our continued work in Nepal (Pictured).

Thank you again for your support of the Travis Poston Memorial Land Fund. There is no earthly way to describe the value of your gift to the work of God. The only thing we can say is that one day in Heaven you will be able to lift your voice in worship and praise to God with Believers who were saved in India and Nepal because you cared and shared. Glory!
