2012 TRAVIS POSTON LAND FUND OFFERING TO HELP BUY LAND FOR CHURCHES IN INDIA.

In spite of intense persecution and continued attacks by Moslem and Hindu extremists God continues to save an average of 2 people every day in our work in India. Churches are being built, lives are being changed, and the Kingdom of God continues to grow. Hundreds of people will be in Heaven because you cared and shared.

India has the highest population growth and the second highest population total (1.2 Billion compared to China's 1.6 Billion) in the world. This is making it increasingly difficult to purchase land on which to build Churches. Your gifts through the Travis Poston Land Fund Offering are very needed at this time- Vitally needed land in South India and North India had to be passed over this year due to lack of finances.

How can YOU help?

- Pray for health and wisdom for Missionary Carlisle Hanna (83 years old) and for Dr. Don Hanna as they oversee the great work God is doing in India.
- Pray for power and protection for the Pastors and Church Planters as they carry the Gospel to the multitudes of lost souls in India
- Give "as God has prospered you" (I Cor 16:2) to the need in India: Through your local church (We praise God for the \$7,000 given through Mill Branch so far this year), via credit card at www.scfoi.com, or by weekly bank draft (go to www.ministerministry.com click on Donate and then check Friends of India as your gift recipient).

Thank You. You are making a difference for now and for eternity.
